# Star Drill

3rd Block 2011-12

Group 1

Group 1

Group 2

Group 2

Group 3

Group 3

The image shows a large grid divided into three horizontal sections. The top section is blue and labeled 'Group 1' on both sides. The middle section is orange and labeled 'Group 2' on both sides. The bottom section is green and labeled 'Group 3' on both sides. Arrows point from the labels to the corresponding sections of the grid. The grid itself contains a large amount of small, illegible text, likely a list of names or data points for each group.

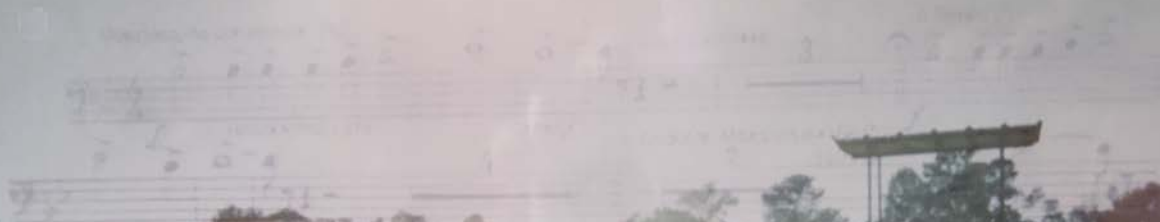

# Cathedral Chorus

## Ronnie Touchstone

Vidor band director is 1 of 15 UIL sponsor excellence  
award winners

Jan.10. 2012

During his 39 years of sponsoring UIL music contests, Touchstone's students have earned many state accolades including numerous first division awards. He said one of his primary goals is to instill in his students a desire to have a life-long love of music. Hundreds of his students have become professional musicians and directors, and many that don't still participate in community musical activities.

"I believe that the spirit of UIL competition teaches students to drive themselves to be the best that they can be, both as individuals and as members of a team or group," said Touchstone. "Success in global competition in the years ahead will require a student to be creative and innovative, and we must provide opportunities for all students to develop their creative talents through arts education."
