Dear Tom!

Many thanks for sending me the announcement of the All City concerts on March 18. I must commend you on such excellent choices of guest clinicians #1 Mr Ticheli is bound to be outstanding (one of our good Italian Dons no doubt) and Jim Barnes, an old friend, as a young "whippersnapper" at KU I tried to recruit ^{5f} him as a Tuba player ?? and fine young arranger like Randy Bass. Couldn't pry him away from that wheat land however even though he then worked for Bob Foster. Jane is now in her 6th week of recovery from her Hip replacement so we are not sure she can yet sit through a Concert. However either we will try to come for the afternoon or morning rehearsals or I will drive over to say hello to ALL of you. Tom, my boy, you are making your ^{SP} ~~old~~ mentor mighty proud of ^{TELL} your success and achievements!

As you can ^{TELL} ~~see~~ I play typewriter just about as well as I did the Jazz piano when you were running our Dance Band. Warmest regards to the family and you still have a standing invitation to come to visit us in Fredricksburg when time and duties are right. ~~Congratulations~~ Congratulations again on your All-City Festival.
